Headings: About; Public Agenda is a national research-to-action organization that digs deep into the key challenges facing our democracy to uncover insights and solutions. We engage with advocates, journalists, policymakers, and the philanthropic community to ensure public voice is heard in conversations that shape our shared future.; We start by identifying critical obstacles to democracy.; Next, we distill and refine project learnings and key findings to develop models for change.; Finally, we transform what we have discovered into practical tools to effect change.; We partner with public and private organizations to understand public voice and craft solutions grounded in evidence.; Our Values; Hope; Empathy; Respect; Growth; Trust; Fairness; Integrity; Our History; A Strong Democracy Is Responsive to Public Voice; Stay connected; Stay Connected with Our Newsletter

Paragraphs: Quick links; Work With UsThe LatestLeadership & StaffCareersPress Room; We reveal how democracy-shaping institutions, such as those in health and education, affect opportunities for citizens and communities to participate effectively in democratic efforts.; The Priorities; We work closely with institutions and leaders to address barriers to democratic participation and build opportunities for engagement. Together, we design expansive programs that outline ways to strengthen American systems.; The Initiatives; We create resources that institutions and leaders use to make progress on the most pressing challenges facing our democracy.; The Resources; We facilitate collaborative research efforts; conduct, translate, and synthesize research; and develop practical tools to turn research into action.; Work With UsView Calls for ProposalsRequest a Consultation; ; We strive for a future where all Americans share the belief that our democracy works.; We seek to understand what matters to Americans, leveraging the power of difference and common ground.; Recognizing the equal worth and dignity of all people, we welcome differences in values, priorities, and perspectives.; Believing that we can learn, we embrace the challenge of engaging differing perspectives and exploring unfamiliar views.; We celebrate and protect our reputation as a nonpartisan, truthful, and reliable source of knowledge.; We seek solutions that create a just and equitable democracy in which everyone's values and interests count.; In our partnerships, resource stewardship, and operations, we are collaborative, transparent, and ethical.; ; Public Agenda was founded in 1975 when social scientist and pioneer in public opinion research Daniel Yankelovich and public official and statesman Cyrus Vance decided to do something about a fundamental problem they thought was endangering our democracy: the growing disconnect between governing elites and the goals, views, interests, and aspirations of ordinary Americans.; While the work of Public Agenda has taken varied forms across the past few decades, it has always been guided by Yankelovich and Vance's core commitment to a democracy centered around the voices of

America's citizens.; Today, Public Agenda is motivated by the acute, chronic threats to the well-being and sustainability of our democracy. We focus on democratic institutions and the key sectors, such as education and health, that have potential to make democracy meaningful in the lives of Americans. In keeping with our origins, Public Agenda continues to bring evidence to the table to catalyze action oriented toward positive change.; Public Agenda Founder; Public Agenda Founder; Receive the latest Public Agenda news; ;

Summaries of Links: Based solely on the provided information, it can be inferred that this organization is likely focused on public affairs and civic engagement. The presence of links to pages about democracy, education, and health suggests that the organization is concerned with these issues. The inclusion of initiatives such as the "Democracy Renewal Project" and "Community Voices for Health" further supports this notion. The organization also appears to have a research component, as evidenced by the link to a page titled "Search Our Data." Additionally, the presence of a "Donate" button and a "Contact Us" page suggests that the organization is seeking financial support and is open to communication with the public. Overall, the information provided indicates that this organization is likely involved in promoting civic engagement and addressing public policy issues.""
