

""Twitter handle (and profile name): doplinger (Doug Oplinger)

Twitter description: Ohio Media Project, community deliberation, retired Akron Beacon Journal managing editor Medill School of Journalism

Description of the organization from a third party source: "Doug Oplinger coordinates 50-plus news outlets in the Your Voice Ohio collaborative seeking, through engagement and shared resources, to restore trust in media. Critical to the project is the act of citizens and journalists working together to identify solutions to improve quality of life in Ohio. Previously, Oplinger was at the Akron Beacon Journal for 46 years, where he was an editor on two Pulitzer-prize winning projects and a reporter on a third."

Paragraphs: Your Voice Ohio; Empowering Ohioans to Participate in Journalism; Your Voice Ohio is a collaborative effort by news organizations across Ohio to better respond to the needs and aspirations of all Ohioans.; We use engaging, authentic, and accessible solutions-driven community conversation to rebuild trust between Ohioans and Ohio media.; Many Americans don't see themselves represented in their local news, especially in political news. We believe it's time to embrace representative and solutions-oriented news coverage on the issues that matter most to Ohioans. We envision a world where journalists and the communities they serve see each other not only as real people, but partners working together to create a more vibrant Ohio.; Your Voice Ohio is a project of the Jefferson Center, a nonpartisan civic engagement nonprofit who believes high-quality and trustworthy information forms the bedrock of a healthy and vibrant democracy. Staff work closely with Ohio journalists and local organizers to create and manage community events and digital outreach.; The Jefferson Center has over four decades of experience partnering with citizens, communities, and institutions to design and implement informed, innovative, and democratic solutions to today's toughest challenges.; We design and implement digital and in-person opportunities for newsrooms and communities to engage with one another. This could look like journalists texting community members over a number of months or sitting down for a two hour discussion exploring solutions to the local addiction crisis. These engagement programs can help journalists.; All our programs and events are guided by our engagement principles.; See our community conversation model in action; ; In 2016, the Jefferson Center conducted a statewide poll and community events which surveyed thousands of people around the state of Ohio. They posed this question: "How can local news media shift their coverage to help voters better evaluate candidates and make more informed electoral decisions during the 2016 election?" Specifically, what voters wanted and needed to know, and what they weren't getting from candidates and from national news outlets.; Regardless of political affiliation or ideology, one message rang loud and clear: Ohioans don't see themselves represented in their local news, especially in political news. The Jefferson Center - along with Ohio media partners - saw an important opportunity: now is the time to respond proactively and embrace representative, issue based coverage. We formed the Your Voice Ohio media collaborative as one solution to address this issue.; The collaborative is responding to the recommendations of Ohioans about what they need most from their local media. See if your local news organization is participating in Your Voice Ohio.; Subscribe to the Your Voice Ohio mailing list. We send 1 email every other Friday morning.; Your Voice Ohio is a project of the Center for New

Democratic Processes, a nonpartisan community engagement and policy nonprofit.; ;

Summaries of Links: Based on the provided information, it can be inferred that Your Voice Ohio is an organization dedicated to promoting civic engagement and informing the public on various issues. They have a focus on the 2020 election, as evident from the presence of a dedicated project and engagement principles related to the election. They also have a focus on local media and its role in the election, as seen in the "What Do Ohioans Want from Local Media" article. The organization has a presence on social media platforms such as Twitter and Facebook, and provides contact information for inquiries. They also have a story database and a blog, suggesting that they engage in storytelling and content creation. The organization appears to be supported by various foundations and organizations, including the Knight Foundation and the Democracy Fund. Additionally, they have a "Get Involved" section on their website, indicating that they encourage public participation and involvement in their initiatives."""
