

""Twitter handle (and profile name): BayAreaConvLab (Conversation Lab)

Twitter description: Making it simple to connect with the strangers who live where you live. Tweets by @AllanSteiner

Description of the organization from a third party source: "I've been working on creating spaces that shift social norms in favor of connection. Conversation Lab is a laboratory for experiments around the topic of encouraging connection between strangers. Sometimes a broad topic will be chosen for an event. Other times the space will be designed to encourage connection around a wide variety of topics."
