Twitter description: A movement dedicated to changing the world through the power of compassionate, nonjudgmental listening._x000D_

We believe people need to be heard, seen, & understood.

Description of the organization from a third party source: "Our mission is to listen. We make ourselves available for anyone who needs to be heard. We do this by holding signs that say "Free Listening" and allowing people to talk, sing, dance, yell, cry, and share with us. Over the years, the community has grown to include people from all walks of life across 6 continents, 80 countries, and 40 states. Resources include a key to listening guide in four languages. "
