Our team sources, diligences, and recommends investment opportunities, and adds significant value to our partners through hands-on support and shared infrastructure; that put voters first and produce more accountability, better representation and better results. To date, we have invested over \$50M in dozens of state campaigns and national organizations working to advance nonpartisan primaries, instant runoffs, and independent redistricting commissions.; how partisan primaries disenfranchise voters and disincentivize our leaders from solving problems. For example, Unite America was the largest funder of the campaign to enact Alaska's top-four primary system -- which, upon first use in 2022, increased participation, improved representation, and dampened polarization.; to accelerate and scale the nonpartisan election reform movement. Our team sources, diligences, and recommends investment opportunities, and adds significant value to our partners through hands-on support and shared infrastructure.; Unite America was originally founded as the Centrist Project in 2014 by Dartmouth College professor Charles Wheelan. Our vision was the same as it is today: to foster a more functional and

representative government. In 2019, our strategy shifted from supporting individual candidates to supporting election reforms that can fundamentally improve the incentive structure of our political system.â€”Today, Unite America has grown to be a leader in the election reform movement. Our 25+ person team is composed of Democrats, Republicans, and independents who are committed to working across lines of political difference to defend and improve our democracy. We are headquartered in Denver, CO.

Summaries of Links: Based solely on the provided information, this organization appears to be focused on reforming the electoral system in the United States. Their priorities include nonpartisan primaries, independent redistricting, and instant runoffs. They also have a book, "The Primary Solution," which likely delves deeper into their proposed reforms. The organization has a strategy in place and a portfolio of work, and they accept applications for funding. They have had victories in some areas, such as Alaska, and have a case study available. They have a team, contact information, and a newsroom with articles related to their work. They also have social media accounts and a privacy policy. While the specific details of their work are not entirely clear from the provided information, it is evident that they are dedicated to improving the electoral system and promoting fair and representative elections."""
