**Paragraphs:** You Are Here: Home; Calling all current Duke undergraduate, graduate, and professional students with an interest in politics, democracy, and public service!; Polis: Center for Politics serves as the proud Campus Partner for Project Citizen, an Experiential Orientation program designed to give students the skills to be informed, active, and compassionate citizens within Duke campus and our local, national, and global communities.; "I'm thrilled to join Polis as a Distinguished Fellow, at the university that has

done so much to shape my life. We live in an exceptionally challenging moment for the democratic system I've spent decades writing and talking about in newspapers and on television. I feel privileged and energized to work through it with Duke students - sharing what I know and learning just as much from them."\_x000D\_

**- John Harwood; The Polis Distinguished Fellows Program brings accomplished political practitioners, public servants, and organizers to campus to engage with our community and to dedicate some portion of their time to a project that promises an innovative solution to a problem of contemporary politics and that involves students in the process.; The program honors extraordinary leadership in politics and public service. Fellows are prominent figures who bring expertise and experience from their roles as practitioners in politics and governance, campaigns, activism, journalism, media, etc.; Fellows include Huma Abedin, Top Aide and Longtime Advisor to Former Secretary of State Hillary Clinton; Reggie Love, Senior Advisor, Apollo Global Management & Former Personal Aide to President Barack Obama; Minh-Thu Pham, Co-Founder of New American Voices & Former Director of Global Policy, United Nations Foundation; Former U.S. Representative for North Carolina District 4 David Price; & Ambassador Miriam Sapiro.;** Polis: Center for Politics serves as the Campus Partner for Project Citizen, an Experiential Orientation program designed to give students the skills to be informed, active, and compassionate citizens within Duke campus and our local, national, and global communities.; Learn More >; Political scientists at Duke University draw upon a variety of theoretical perspectives and methodological approaches to produce cutting-edge research that enhances our understanding of politics. Polis is committed to showcasing political science research at Duke and to facilitating its creation.; PolicyLab is a nonpartisan, service-learning initiative that gives undergraduate and graduate students the opportunity to research real-world policy questions and to draft useful research for policymakers, issue advocates, and other change agents.; Check out valuable student insights from Professor Deondra Rose's Political Analysis for Public Policymaking (PUBPOL301) on Medium.; Learn more about the Polis leadership team; Your one-stop shop for student opportunities; Cutting-edge research on the politics of public policy; Promoting student voter participation; to receive the latest news from Polis; (C) 2024 Sanford School of Public Policy | Log In

**Summaries of Links:** Based solely on the provided information, it appears that this organization is affiliated with Duke University. The links are primarily associated with the Polis Center, a policy research center at Duke, and various events, initiatives, and research projects related to politics, public policy, and democracy. The organization seems to focus on promoting civic engagement, fostering informed discourse, and addressing societal issues through research, education, and public outreach. The presence of student committees, distinguished fellows, and leadership teams suggests a collaborative and

multidisciplinary approach to its work. However, the specific nature and scope of the organization's activities cannot be fully determined from the provided information."""
