Paragraphs: MORE IN COMMON; About; Services; Clients & Testimonials; Strategic Advisors; More Content; Assess Yourself; Let's Talk; More; Rodney and Keith have been close friends since their time at Purdue University in West Lafayette, IN back in 2002. Their friendship has grown and evolved over the years, always anchored by their mutual respect and genuine care for one another. They've navigated many difficult conversations while maintaining the strong foundation of their friendship.; â€œ; After spending numerous years in the tech industry, and witnessing the growing cultural divisions, Rodney and Keith decided to share the magic of their friendship with others. What started as a simple podcast soon transformed into something greater. With over 150 meaningful conversations, they realized they could leverage their corporate experience, Keith's background in Psychology, and the core principles of their friendship to create valuable tools for others.; Their goal is to break the barriers of echo chambers, foster connections, build trust, and pave the way for a more peaceful future. Rather than dwelling on divisions and uncertainties, they aim to offer a path towards unity and understanding.; â€œ; Rodney is our co-founder, co-host, resident comedian, technologist, and chief conversation de-railer. With a diverse skill set and a passion for trying new things, Rodney brings 18 years of experience in retail and technology sales, along with his dedicated service on the Board of Directors for the Boys and Girls Clubs of Burbank and Venice.; â€œ; Possessing a remarkable ability to connect with people from all walks of life, Rodney believes that building meaningful connections is not as daunting as it may seem. Drawing inspiration from his grandma, his mission is to empower

others to foster genuine connections through compassion.; More in Common is Rodney's way of tackling some of the most pressing issues in our world today.; â€œ; Keith, a devoted father and husband, strives to be the best version of himself for his family. More In Common provides him with the opportunity to make a positive impact on his family, himself, and others.; â€œ; As a co-founder, co-host, lead content editor, and operational mastermind, Keith ensures smooth operations, timely execution, and alignment with the company's vision. With over 15 years of experience in the tech industry and a background in Psychology, Keith utilizes his expertise to develop strategies and content that align with the mission of bridging the gap between individuals trapped in echo chambers.; â€œ; Keith's true passion lies in helping people unlock their potential and overcome barriers through open dialogue and genuine curiosity. He believes in breaking down walls and fostering understanding among individuals.; Together, Rodney and Keith, through More In Common, are dedicated to making a positive difference in the world by promoting empathy, connection, and unity.; Meet people where they are.; Open to listen more.; Remove assumptions.; Embrace curiosity.; â€œ; Ready to take your organization's inclusion and diversity initiatives to the next level?
