**Environmental Protection Agency's (EPA) announcement that it is\_x000D\_**

adopting\_x000D\_

stronger rules against methane emissions. These rules include\_x000D\_

strengthening standards for leak detection and repair, expanding\_x000D\_

regulations for inspection of closed wells, and creating programs\_x000D\_

for third-party monitoring of super emitters.; The Environmental Protection Agency (EPA) received a significant\_x000D\_

boost in its efforts to cut carbon from our energy supply with a\_x000D\_

statement of strong support from over 150 businesses convened by\_x000D\_

the American Sustainable Business Network (ASBN). Signatories\_x000D\_

included brands like ECOS, MegaFood, Avocado Green Brands, and\_x000D\_

New Leaf Paper, and groups like Natural Investments LLC and the\_x000D\_

US Hemp Building Association.; David Levine (Co-founder and President) of American Sustainable\_x000D\_

Business Network speaks with Angele D. ( Managing Partner) of The\_x000D\_

Ampersand Group featured on the Engineering Equity For All â„¢\_x000D\_

Podcast; [https://youtu.be/X6\\*6sCKsAzE](https://youtu.be/X6*6sCKsAzE)\_x000D\_

#business #sustainable #podcast #cleanenergy; Loading tweets...; ; Inspire Clean\_x000D\_

Energy Inspire is a mission-driven, clean energy company that\_x000D\_

subscribes people to a world where energy from renewable sources\_x000D\_

is a better choice for their home and the environment. With\_x000D\_

Inspire, members receive access to clean energy and peace of mind\_x000D\_

from a predictable price for their home's electricity supply.\_x000D\_

Founded in 2014, Inspire has made it easy for hundreds of\_x000D\_

thousands of people to join the clean energy movement and take\_x000D\_

action against climate change. Inspire is a certified B Corp with\_x000D\_

headquarters in Santa Monica, CA and Philadelphia, PA.; In 1973, MegaFood was born from an unwavering commitment to\_x000D\_

produce the highest quality supplements available.; Avocado is\_x000D\_  
redefining what it means to be a sustainable, ethical brand. As a\_x000D\_  
Certified B-Corp, their vision is as urgent as it is aspirational\_x000D\_  
- a world united by sustainability and social responsibility.\_x000D\_  
They practice radical transparency and a "farm-to-bedroom" \_x000D\_  
approach; they co-own a latex farm, factory, and wool collective\_x000D\_  
in India - from where they source and process raw materials.; Nature's Logic is the  
first and leading 100% natural pet food\_x000D\_  
with NO synthetic vitamins. A Pet Sustainability Coalition top-20\_x000D\_  
brand for sustainability, Nature's Logic buys 1 KWh of renewable\_x000D\_  
energy for every pound of food sold, and offers the\_x000D\_  
industry's first Certified Plastic Neutral products.; Founded by Yvon Chouinard in  
1973, Patagonia is an outdoor\_x000D\_  
apparel company based in Ventura, California. A Certified B\_x000D\_  
Corporation, the company is recognized internationally for its\_x000D\_  
commitment to product quality and environmental activism-and its\_x000D\_  
contributions of more than \$110 million in grants and in-kind\_x000D\_  
donations to date.; Hugo Neu's mission is to link purpose, prosperity, fairness,  
and\_x000D\_  
resilience by driving smart and equitable social, economic, and\_x000D\_  
environmental improvements that benefit healthier jobs,\_x000D\_  
businesses, communities, and ecosystems.; Hugo Neu accomplishes this through our  
businesses, investments,\_x000D\_  
philanthropies, partnerships, practices, and talented\_x000D\_  
workforce-as demonstrated by our flagship, state-of-the-art\_x000D\_  
business park and 21st century resiliency model, Kearny Point.; Green Mountain  
Power (GMP) serves approximately 266,000\_x000D\_  
residential and business customers in Vermont and is partnering\_x000D\_

with them to improve lives and transform communities. GMP does this by focusing on a new way of doing business to meet the needs of customers with integrated energy services that help people cut carbon and save money, while generating clean, cost-effective and reliable power. GMP is delivering new innovations like battery storage that benefits all customers by directly lowering costs and increasing resiliency.; EarthKind creates naturally effective products guaranteed to keep pests out without killing them, poisoning them, or causing harm to our delicate ecosystem. 80% of ingredients are grown on US regenerative farms; 20% of assembly team are handi-capable; NC based manufacturing is carbon neutral.; You may also find this video useful: [https://youtu.be/i\\_YOJ-qaSNo](https://youtu.be/i_YOJ-qaSNo); King Arthur Baking Company has been sharing the joy of baking since 1790. Headquartered in Norwich, Vermont, a certified B Corp, and 100% employee-owned, King Arthur is the ultimate baking resource, providing the highest quality ingredients for the most delicious baked goods, while inspiring connections and community through baking. King Arthur Baking believes in paying all workers a fair and competitive wage and offers robust retirement benefits, while also fostering a culture of health and wellness, community engagement, and celebration.; Mueller Law - Mueller Law is a plaintiff's firm led by Mark Mueller and headquartered in Austin, Texas, with offices in Atlanta, New Jersey, and New York. Mueller Law focuses on cases representing whistleblowers helping to recover taxpayer money lost through fraudulent reimbursement schemes, as well as catastrophic injury cases as they relate to negligence, defective

products, and environmental damage.; Seventh Generation believes their products are healthy solutions\_x000D\_

for the air, surfaces, fabrics, pets and people within your\_x000D\_

home-and for the community and environment outside of it. As a\_x000D\_

pioneer in corporate responsibility, they want their products to\_x000D\_

make a difference-from their development through to their\_x000D\_

production, purchase, use, and disposal. Seventh Generation\_x000D\_

is always evaluating how to reduce their environmental impact,\_x000D\_

increase performance and safety, and create a more sustainable\_x000D\_

supply chain.;

**EILEEN FISHER:** more than a brand. We are a culture and an ethos born of passionate individuals who work as we live, using good design to inspire creativity, cultivate connection and instill confidence. By reflecting these values in our craft, clothing, workspaces and interactions, we celebrate the vital dynamic between one and many.;

Social Mission: To operate the Company in a way\_x000D\_

that actively recognizes the central role that business plays in\_x000D\_

society by initiating innovative ways to improve the quality of\_x000D\_

life locally, nationally, and internationally.;

ECOS produces household cleaning supplies, including soaps, paper\_x000D\_

products, kitchen cleaners, and even pet products. All of its\_x000D\_

products are derived from plants and free of chemicals like\_x000D\_

formaldehyde, petrochemicals, and 1,4 dioxane that are toxic to\_x000D\_

humans and the environment. With this emphasis on sustainability,\_x000D\_

the family-owned company has grown considerably since its humble\_x000D\_

beginnings. ECOS will never test on animals or use animal\_x000D\_

ingredients in their products. It conducts business in a socially\_x000D\_

responsible manner that safeguards the earth, and all its\_x000D\_

inhabitants.;

When Barry Cik went to a baby store to buy a crib mattress for\_x000D\_

his first grandchild in 2003, he was concerned by what he found\_x000D\_

in the products: assorted chemicals, vinyl/PVC with phthalates, polyurethane foam with flame retardants, formaldehyde, GMOs, glues/adhesives, and more.; Cik said. "When I asked the salesperson about it, he tried to reassure me by saying, 'oh, come on; if it wasn't safe the government wouldn't allow it to be sold!' And I said, 'you've got to be kidding me.'" "I just couldn't buy it,"; NRS is a leading manufacturer of high-performance inflatable boats, standup paddle boards, rafting gear, clothing, camping gear and more. Based in Moscow, Idaho, the company employs around 100 people and is 100% employee-owned.; NRS was founded in 1972 as Northwest River Supplies by Bill Parks, then a business professor at the University of Oregon. Parks believed that businesses could create value in people's lives beyond just generating profits, and he started the firm to show that these ideas could work in the real world.; Mindful Leader is a Social Impact B Corp, headquartered in the Washington DC Metro Area. Its mission is to foster the advancement of mindfulness and compassion in the workplace. Through collaboration and alliances with non-profits, universities, corporations, experts in neuroscience, organizational behavior, leadership development, mindfulness, and compassion, Mindful Leader curates and convenes events, learning communities and educational resources to inspire, develop, and connect leaders.; Bromberger Law works at the intersection of business and philanthropy, representing clients in a broad range of activities that range from non-profit to commercial. â€

**Paragraphs:** American Sustainable Business Network (ASBN) is a movement\_x000D\_

builder in partnership with the business and investor community.\_x000D\_

ASBN develops and advocates solutions for policymakers, business\_x000D\_

leaders, and investors that support an equitable, regenerative,\_x000D\_

and just economy that benefits allâpeople and planet. As a\_x000D\_

multi-issue, membership organization advocating on behalf of\_x000D\_

every business sector, size, and geography, ASBN and its\_x000D\_

association members collectively represent over 250,000\_x000D\_

businesses across our networks.; ASBN was founded through the merger of the American\_x000D\_

Sustainable Business Council and Social Venture Circle. Learn\_x000D\_

more about the history of ASBC and SVC here.; Our mission is to inform, connect, and mobilize business leaders\_x000D\_

and investors to transform the public and\_x000D\_

private sectors toward a just and sustainable economy.; Our vision is a sustainable economy that\_x000D\_

is stakeholder-driven, regenerative, just, and prosperous.; ASBN believes that justice, equity, diversity, and inclusion must\_x000D\_

be at the foundation for how we conduct ourselves, our public\_x000D\_

policy advocacy, and our businesses and investment activity, as\_x000D\_

we cultivate and grow our community and programs. With clear\_x000D\_

intent and earnest effort, we will engage our community, and seek\_x000D\_

leaders in the field to ensure that our impact matches our vision.; ASBN members must conduct themselves in a professional and collaborative manner when engaging with or representing ASBN. Members must treat each other with mutual respect and justice both on an individual and an organizational level. This extends to invited speakers, event attendees, funders, supporters, staff, event and venue staff, and guests. Members agree to uphold our community agreements: 1) INTEGRITY: We act with integrity and honor our commitments.; 2) VALUES: We integrate our values into our daily work.; 3) RESPECT: We treat everyone with respect.; 4) INCLUSION - We work together to create an inclusive, welcoming community.;

**Summaries of Links:** Based solely on the provided information, it can be inferred that this organization is involved in various initiatives related to sustainability, climate change, and social justice. They appear to have a strong focus on advocacy and policy work, as evidenced by the mention of "ASBN Policy Center" and "Policies & Calls to Action." The organization also seems to have a membership structure, with different categories such as "Association Members" and "Lifetime Members." They organize events, webinars, and conferences, and have a presence on social media platforms like Instagram, Twitter, LinkedIn, and Facebook. The organization's website includes sections on research and data, working groups, and opportunities for involvement, such as joining as a member or donating. They also have a section dedicated to their team and board of directors, as well as career and internship opportunities. Additionally, the website includes links to external resources and partner organizations, further indicating their involvement in a network of sustainability and social change efforts."
