**Twitter description:** Erase Meanness, replace it with kindness.

**Description of the organization from a third party source:** "Since 2012, Erasing Meanness' purpose has been to give students tools and insights to Erase Meanness in their lives. The adaptable lesson helps students make the connection between the choices they make and the world they leave behind by asking "How do you want to be remembered?" Developed by a sixth-grade teacher in Mishawaka, IN, Erasing Meanness has now been adopted by classrooms around the world and has become a universal lesson for all ages."
