Twitter description: My work is convening online engagement & designing beautiful, purpose-full online environments. I'm a photographer & a lover of Light.

Description of the organization from a third party source: "I am an online host and consultant specializing in World Cafe and other participatory processes within an online environment. I'm passionate about online engagement that is deeply connected and collaborative, and takes full advantage of all the benefits of working across geographic boundaries with minimal resource investment. I offer hosting and consulting support, as well as a wide variety of public online learning programs of interest to practitioners. I am pleased to work with many individuals and organizations within the NCDD community, and have served on the Executive Team of the World Cafe Community Foundation in various capacities for 15 years. I am currently Director of World Cafe Learning Programs, member of the Stewardship Council, and exclusive provider of online services."
