Paragraphs: Alexis Goggans, PCC is an equitable decarbonization and organizational development consultant, a trusted instructor, and an accredited life, leadership, and executive coach. She's the mind behind Be Bold Services, a small consulting firm that has been helping individuals and organizations implement climate, sustainability, and social

change initiatives rooted in deep equity since 2018. Alexis is also co-founder of the Institute for Coaching Excellence, an online training program that provides aspiring professionals with a certificate in Life, Leadership, and Executive Coaching.; DEIB Consultant, Circle Convenor, Community Weaver, Certified Professional Coach, Workshop Leader, Writer, Changemaker, International Speaker, Systems Thinking Researcher and mom, Nnaumrata is the Founder of Enactive Systems (earlier Life Beyond Motherhood) and Zemyna Foundation, the Founding Director and Global Board Member for SCiO in India (Systems and Complexity in Organisations) and an empaneled Women's Leadership coach with Heidrick and Struggles.; Laura Kaestle is a network weaver, designer, facilitator, project coordinator, and grower focusing on integrative design, ecological regeneration, community and network development, permaculture, and holistic living with 10+ years of practical experience in the eco-social field. Together with colleagues from ECOLISE she works to cultivate a thriving impact network of community-led initiatives for climate change and sustainability in Europe guided by nature's principles, relationship building, and collaborative processes.; Jane Wei-Skillern is a Senior Fellow at the Center for Social Sector Leadership at the Haas School of Business at University of California, Berkeley. Previously, she has served on the faculty at the Stanford Graduate School of Business, Harvard Business School (HBS), and London Business School. She has studied and published extensively on nonprofit networks for more than two decades. She is the author and coauthor of dozens of HBS and Haas UC Berkeley case studies, book chapters, and journal articles and is the lead author of the casebook, *Entrepreneurship in the Social Sector* (Sage Publications, 2007).; Froswa' Booker-Drew, Ph.D. is a Network Weaver who believes relationships are the key to our personal, professional, and organizational growth. She has been quoted/featured in Forbes, Ozy, Bustle, Huffington Post, Modern Luxury, and other media outlets, due to an extensive background in leadership, nonprofit management, philanthropy, partnership development, training, and education. She is the CEO of Soulstice Consultancy, LLC providing DEI, leadership training, community engagement strategies and philanthropic/partnership guidance for institutions and the CEO of R2 Foundation (Restoration and Reconciliation Foundation) providing support for Black led nonprofits. Formerly the Vice President of Community Affairs for the State Fair of Texas, Froswa' was responsible for grantmaking, educational programming and community initiatives. More than 70% of organizations funded were led by people of color. As the previous National Community Engagement Director for World Vision, she served as a catalyst, partnership broker, and builder of the capacity of local partners in multiple locations across the US to improve and sustain the well-being of children and their families. She is also co-founder of HERitage Giving Circle, one of the first Black women Giving Circles in the state of Texas and co-founder of both Power in Action-Dallas and the South Dallas Employment Project.; ; Nou Yang, Sindy Morales Garcia and Kirsten Johnson are Courageous Change Collective, a Minnesota based organization committed to growing communities of love and justice through transformative facilitation. Through the work of Courageous Change Collective we seek to cultivate, support and sustain the conditions needed for reflection, growth and transformation. We are a three-woman team shaped by our identities as immigrant, LGBTQ, Indigenous, People of Color.; Clemens Binder is part of Unity Effect as the lead for Networks

& Communities. His mission is to hold spaces, build bridges and inspire people to realise what makes them come alive. He's also passionate about networks, agile prototyping and social innovation.; In 2015, Clemens co-founded an incubator for early-stage social start-ups and accompanied many founders as a coach. Since then, he has been fascinated by social entrepreneurship (education) and bringing positive change into the world.; Jannik Kaiser is co-founder of Unity Effect, where he is leading the area of Systemic Impact. His desire to co-create systemic social change led him down the rabbit holes of complexity science, human sense-making (e.g. phenomenology), asking big questions (just ask "why" often enough...) and personal healing. Having worked in the NGO sector, academia and now social entrepreneurship, his most formational professional experiences were;; Sadia Hassan is an award winning writer, equity consultant and network weaver who enjoys using a human-centered approach to crafting inclusive, equitable, and participatory processes for capacity building. Her skills include: leadership development training using Public Narrative, facilitation, coaching, cultural strategy, program management and workshop design.; Evan Welkin is a network ecosystem designer, focusing especially on high context community, social and ecological justice. As a child of the intentional community movement, he has lived and supported networks for communities seeking to build social, ecological, cultural and economic regeneration. He is completing an Ecological Design Thinking MA at Schumacher College in Devon, UK, and is cofounder of Borgo Basino folk school, ecovillage and ecotourism farm in Italy: borgobasino.org; Naava L. Frank, Ed.D. is a nationally recognized, published expert, with 20 years of experience in the use of communities of practice (CoPs) and networks for non-profits. Naava consults to foundations and nonprofit organizations to launch and support the growth of communities of practice and networks. Her expertise in designing and implementing network evaluation to measure outcomes allows her to maximize the strategic impact for her clients.; Knowledge Communities helps foundations and nonprofits build their capacity to launch and support the growth of networks and communities of practice (CoPs). CoPs use systematic knowledge sharing to focus on improving professional practice.; Kevin Hiebert, Principal of Resonate Consulting, is a facilitator, trainer, leadership coach and strategy consultant who supports collaboration to create social and organizational change. Kevin is passionate about collaboration, participatory leadership and seeing collective wisdom and action emerge. For the past 20 years Kevin has been working with people, teams and organizations to take the next steps of growth, collaboration and action.; www.resonatenw.com; email: kevin@resonatenw.com; By identifying story threads and patterns we weave the world around us. Not only do our stories connect us - they define our perceptions and shape our behavior. Stories frame our future.; Fascinated by systems architecture and the stories that network mapping conveys, Thea applies her experience as a cross-disciplinary "creative entrepreneur" to network communications, digital storytelling, systems analysis and sense-making. Weaving between diverse networks, she creates virtual learning journeys, presentations on the concept and value of social system mapping, and evaluates network weaving approaches, resources, and tools to enhance network cultures and the discovery of emerging trends. Driven by curiosity and imagination, she supports clients seeking creative opportunities to expand their network's potential.; MaryAnn Martinez is a non-profit director and interdisciplinary food

systems scholar, currently a PhD candidate at Antioch Graduate School of Leadership and Change. MaryAnn's current academic research is focused on an emergent hunger prevention network during Covid-19. In addition, MaryAnn also brings years of expertise as a consultant for non-profit and local government around childhood nutrition, substance abuse prevention, and other social issues, as well as practical experience as a vegetable and livestock farmer, in both for-profit and social enterprises.; MaryAnn's primary consultation focus is on network and social system mapping of people, communities and ideas to ignite discussion around issues of local and regional food systems, food insecurity, food justice and equity.; When MaryAnn is not engaged in growing food and networks she can usually be found running in the woods, playing scrabble, or hanging out with family, friends, and pets.; exdir@communityfoodinitiatives.org; Kimberley Jutze is the founder of Shifting Patterns Consulting, a Certified B Corporation that helps changemaker leaders get their colleagues on the same page and put collaborative processes in place to achieve greater impact. Her company applies organizational and human systems processes that enable organizations collaborating at the intersection of social, economic, and environmental justice solve problems that prevent people from working well together in ways that stay solved. This involves pinpointing the underlying causes of poor performance and unhealthy conflict, building the commitment to take effective action, supporting people in coming up with their own solutions, and putting a support system in place to monitor improved performance.; Bianca Campbell (they/she) is the Movement Building Senior Manager at Forward Together. She has worked in reproductive justice work since 2011 with organizations like SPARK Reproductive Justice Now! and the National Network of Abortion Funds. She has also been a doula for births, abortions and personal transformations. Now, she is a weaver of the Strong Families Network, centered on family recognition and definition through a cultural strategy. She also shares her commitment to holistic mind and body wellness through her coaching via Spektra Wellness.; bianca@forwardtogether.org; Sahana Chattopadhyay is a global Speaker, Writer, Master Facilitator, Organization Development Consultant, and Coach. She works at the intersection of Complexity, Human Potential, Organizational Transformation, Systems Thinking, and Emergence. Her passion is to enable organizations to develop the capacities, skills, and mindsets to become "thrivable" in the face of uncertainty and ambiguity.; The core of her work has been to build a culture of transformative learning and collaboration in distributed and fluid organizations across diverse global cultures. At present, she synthesizes her experiences to help build capacities for Regenerative Leadership, design spaces for Emergent Learning, and communities for Generative Conversations through Facilitated Dialogues, Workshops, Master Classes, Consulting, and Coaching.; I am a systemic change agent and a process artist. Since March 2009, when I began leading a local weekly "Discussion Salon," I have been convening and hosting both in-person and virtual conversations on a regular basis, in service to initiatives for change.; I specialize in making virtual events come alive, either as stand-alone engagements or in conjunction with in-person gatherings. I have extensive experience adapting large group conversational processes such as World Cafe, Open Space Technology and Appreciative Inquiry to the virtual realm, as well as integrating in-person and virtual formats within a single conversation, gathering or engagement. I use these processes to

support collaboration, build communities of practice and purpose, and to host large scale conversations in service to the work being done across multiple dimensions of global systemic transformation.; My most satisfying consulting moments happen when I am facilitating a group of people to bring a vision
