Paragraphs: Students have the power to shape the future we will inherit. We work with professional staff at colleges and universities to make sure our peers have the skills, opportunities and training they need to create a better, more sustainable future for all of us. Our chapters and clubs on nearly 100 campuses in 25 states provide the training, professional support and resources students need to tackle climate change, protect public health, revitalize our democracy, feed the hungry and more. Students have been at the forefront of social change throughout history, from civil rights, to voting rights to protecting the environment. For nearly 50 years we've helped students to get organized, mobilized and energized so they can continue to be on the cutting edge of positive change.; "Since its founding, NJPIRG has worked to mobilize students to tackle some of the biggest challenges of our time. From fighting climate change, to ensuring affordability for higher education, to mobilizing young people in the effort of preserving democracy, [NJPIRG's] work is an inspiration to all those who seek to shape the future."; "CALPIRG Students are making their voices heard across the state, shaping key environmental policies and educating policymakers like me. From protecting our ocean to accelerating clean energy development, this advocacy is making a clear difference pushing California to move further and faster to combat climate change."; "For decades, MASSPIRG has been an essential ally of workers, consumers, and students and has stood on the frontlines of fights for a more inclusive economy, a cleaner environment, and more affordable college. We - as a community and a country - are indebted to MASSPIRG's work."; Brandon Shamoun, M.Ed. // Assistant Director of Student Involvement, Wayne State University; "Wow, the excitement and joy working with energized students, like those in PIRGIM, to engage other students on voter and civic initiatives has been a moving experience. I am proud of all of the effort and support our student leaders showcased on educating their peers on the importance of voting. This is the reason why I go to work every day. By setting the path as administrators, we can further the voices for our students."; Whitney Williams, M.S. Ed. // Assistant Director, Service Learning and Civic Engagement, Central Piedmont Community College; "I was thoroughly impressed by the activism and support NCPIRG was able to provide to our institution and our students at Central Piedmont Community College! As an institution we

were able to successfully build a stronger focus on voter engagement and democracy! I am honored to have worked with such a wonderful organization, and I look forward to seeing our students use their voices to make our communities and world a better place."; Other Student PIRG Projects;; Student Public Interest Research Groups_x000D_
