All Rights Reserved; The Aspen Institute Socrates Program provides a forum for leaders from various professions to convene and explore contemporary issues through expert-moderated dialogue. Socrates also provides the opportunity for participants to enter into a diverse professional network, and into the broader range of the Aspen Institute's programs.; The Socrates Program is pleased in 2024 to be offering a large selection of salons and seminars around the United States and across the globe. Please check our Program Calendar for all our upcoming seminars. During the Covid crisis we pivoted to online programming, recording weekly webinars as part of Socrates Goes Digital. You can view all recordings on the Socrates Goes Digital website.; The Socrates Program is excited to host our annual Winter Seminars! We will be offering three seminar options. The seminar tuition is \$2,500. Limited scholarships are available by application.; Socrates Mexico participants will explore the topics of technology, media, trust, and humanity in the beautiful setting in Valle de Bravo.; This Socrates Seminar will discuss ways to advance the development of a comprehensive and dynamic yet operational approach to resilience, including with a view to demonstrating that liberal democracy delivers. It will also seek to incentivize discussions on optimal ways of pursuing an enhanced Euro-Atlantic resilience agenda, including by exploring necessary synergies between relevant institutions and societal stakeholders.; Socrates Kenya participants will explore the topics of technology, media, trust, and humanity in the beautiful setting on Mount Kenya.; Aspen Institute Socrates Program one-day salon in the Bay Area focused. The

discussion and readings will focus on inequality through the ages.; The Aspen Institute's Project on Belonging is partnering with Easterseals on IDEA Convene, which will provide a platform for executive education on disability, accessibility and diversity, equity, inclusion, and belonging.; Join the Socrates Program for the first Socrates seminars to be held in Medellin, Colombia!; We will explore how new digital and network technologies change the nature of democracy and its core institutions. Are they "technologies of freedom" or oppression?; The Socrates Program is excited to host our annual Winter Seminars this February 17-20th! We will be offering three seminar options, please see seminar descriptions below. The seminar tuition is \$2,500. Limited scholarships are available by application.; This seminar will assess the impact of technology on 21st-century society and the humanity that it both reflects and affects.; Digital technology is radically changing just about everything we do, from raising families to running businesses. Optimists welcome this shift, arguing that technology is growing up and starting to take care of us. Are they right? What are the specific ways in which technological change is improving our individual and collective lives? What are the dark sides? Do the new technology trends we hear so much about have costs as well as benefits?; The Socrates Program is excited to host our annual Summer Seminars in a hybrid capacity (meaning in-person and digital) this July 8-11! We will be offering five hybrid seminar options, please see seminar descriptions below. The seminar tuition is \$2,500. Limited scholarships are available by application.; This dinner is a benefit for the Socrates Program for Emerging Leaders. The McNulty Family will serve as the honorees this year, and we welcome former US Secretary of Defense Robert M. Gates as our featured speaker for the dinner.; This Transatlantic Socrates Seminar will discuss ways to advance the development of a comprehensive and dynamic yet operational approach to resilience, including with a view to demonstrating that liberal democracy delivers. It will also seek to incentivize discussions on optimal ways of pursuing an enhanced Euro-Atlantic resilience agenda, including by exploring necessary synergies between relevant institutions and societal stakeholders.; Public health systems of countries around the world are being put to the test by the novel coronavirus. This unique and often allusive disease seems perfectly designed to expose systemic weaknesses and tests the decades-old question in public medicine of how to balance innovation and universal healthcare. This seminar will address key challenges of different public healthcare systems and ways in which different long-term investments and policies have shaped outcomes.; Aspen Institute Socrates Program one-day salon in the Los Angeles area. The Saturday salon will be preceded by an opening reception on Friday evening.; Aspen Institute Socrates Program one-day salon in the Bay Area focused. The discussion and readings will focus on inequality through the ages.; "Heroes and Villains" captures the challenges and solutions we have already articulated for the new century.; We will consider the changing face of today's workplace. As we confront industrial dislocation and technological progress, how should we think about our humanity and the society that expresses and shapes it?; Socrates Mexico participants will explore the topics of technology, media, trust, and humanity in the beautiful setting in Valle de Bravo.; This Socrates Seminar will discuss ways to advance the development of a comprehensive and dynamic yet operational approach to resilience, including with a view to demonstrating that liberal democracy delivers. It will also seek to

incentivize discussions on optimal ways of pursuing an enhanced Euro-Atlantic resilience agenda, including by exploring necessary synergies between relevant institutions and societal stakeholders.; Socrates Kenya participants will explore the topics of technology, media, trust, and humanity in the beautiful setting on Mount Kenya.; Join the Socrates Program for the first Socrates seminars to be held in Medellin, Colombia!; A complete listing of all Socrates Moderators.; ; ; ; ; This dinner was a benefit for the Socrates Program for Emerging Leaders.; Video; 07.11.2020; This dinner is a benefit for the Socrates Program for Emerging Leaders.; Video; 05.29.2020; Video; 05.07.2020; Video; 04.13.2020; Video; 02.20.2020; Video; 08.15.2016; Video; 07.26.2016; Video; 07.26.2016; Video; 07.30.2015; Video; 11.07.2014; Video; 04.24.2014; Connect with us on Facebook; ; ; Connect with us on Instagram; ; ; Connect with us on Twitter.; ; ; Connect with us on LinkedIn.; ; ; ; Sign up for our email newsletter; FACEBOOK; TWITTER; YOUTUBE; LINKEDIN; INSTAGRAM; FLICKR; RSS; (C)2024 The Aspen Institute. Summaries of Links: The Aspen Institute appears to be a prominent organization dedicated to fostering dialogue and encouraging leadership in various fields. It organizes events, seminars, and programs that bring together experts, thought leaders, and decision-makers from diverse backgrounds to address critical issues and challenges facing society. The organization emphasizes the importance of open dialogue, intellectual inquiry, and collaboration in finding solutions to complex problems. With locations in Aspen, New York, Washington D.C., and San Francisco, the Aspen Institute provides a platform for individuals to engage in meaningful conversations and explore innovative ideas. Its programs and initiatives focus on a wide range of topics, including business, communications, culture, education, energy, environment, health, justice, opportunity, development, philanthropy, social enterprise, security, and global affairs. The organization also places a strong emphasis on diversity, inclusion, and transparency in its operations and governance."""
