

""Twitter handle (and profile name): MuslimARC (MuslimARC)

**Twitter description:** The Muslim Anti-Racism Collaborative (MuslimARC): #Education for #Liberation. We provide faith-based #racialjustice education and training. RTs â%o endorsement.

**Description of the organization from a third party source:** "The Muslim Anti-Racism Collaborative (MuslimARC) is a faith-based human rights education organization. Our mission is to provide racial justice education and resources to advance racial justice. Our work consists of raising awareness and training Muslim and non-Muslim communities on issues of racial justice. We create spaces for learning and developing racial equity, connect people to foster a multiracial network, and cultivate solutions to advance racial equity. Our vision is Education for Liberation. "

**Summaries of Links:** Based solely on the provided information, it can be inferred that this organization is likely involved in providing various services, trainings, and consultations, as well as hosting webinars and events. They also offer membership, volunteer, internship, and career opportunities. Additionally, they accept donations and have social media accounts on Facebook, Twitter, and Instagram. The organization appears to have a focus on resources, toolkits, articles, and reads, potentially related to their services or areas of expertise. They also have a section dedicated to an "ER Fund" and a symposium sponsorship program. The presence of a phone number and a user session form suggests that they offer direct communication and engagement with individuals. The inclusion of links to external websites such as "nationbuilder.com" and "progressivenation.ca" indicates potential partnerships or affiliations with other organizations. However, without further context or additional information, it is difficult to determine the specific nature of this organization's mission or activities."""
