

""Twitter handle (and profile name): thedreamcorps (Dream.Org)

**Twitter description:** Making dreams real â€” together.

**Description of the organization from a third party source:** "The Dream Corps was founded by Van Jones in 2014 to help cutting-edge initiatives grow big enough to impact millions of lives. Our slogan is 21st-century jobs, not jails. We support economic, environmental and criminal justice innovators all under one roof. Our shared platform helps leaders create synergies, leapfrog obstacles and maximize impact. Every day, we are reshaping "what's possible" in the field of social justice."

**Summaries of Links:** Based solely on the provided information, it can be inferred that this organization is called "Dream Corps," and it appears to be focused on various social and environmental issues. The organization has a website with sections dedicated to news, events, and opportunities, suggesting that it actively engages with its audience and promotes its activities. There are links to pages about green initiatives, justice, and technology, indicating that these are key areas of focus for the organization. Additionally, the presence of donation links and a call to action to "join us" suggests that Dream Corps seeks support and involvement from the public. The inclusion of terms of service, privacy

policy, and contact information implies that the organization values transparency and accountability. Furthermore, the links to social media platforms and job opportunities indicate that Dream Corps has an active online presence and is potentially involved in hiring and recruiting efforts. While the specific details and scope of the organization's activities cannot be fully determined from the provided information, it is evident that Dream Corps is involved in addressing social and environmental challenges and seeks to engage with a diverse audience."""
