Twitter description: Innovative and nationally lauded organization, supporting communities to address potentially violent conflicts with nonviolent solutions.
#choosepeace

Description of the organization from a third party source: "Founded in 2001, Sister Ann Keefe and Father Ray Malm wanted to build Dr. Martin Luther King Jr.'s ideal Beloved Community, where no one is excluded and everyone is welcome and treated with dignity and respect. That dream has since grown into offering comprehensive and holistic programs and services to support violence prone communities and countless victims of violence: Employment and Education, Victim Support, Nonviolence Streetworker Outreach and Re-Entry, and Nonviolence Training and Nonviolent Conflict Resolution Workshops. Together, these services provide our clients with a continuum of care to ensure they stay alive, feel a sense of purpose and are able to be productive members of the community."

Summaries of Links: Based solely on the provided information, it can be inferred that this organization is dedicated to promoting nonviolence and fostering peace. The website includes sections on nonviolence training, initiatives, legislative priorities, and intervention services, suggesting that the organization works to educate, advocate for, and implement nonviolent solutions to conflict and violence. The presence of a blog, events calendar, and social media links indicates that the organization actively engages with the community and shares information about its activities. The job postings for an executive director and intervention services director suggest that the organization is growing and expanding its operations. The mention of a "wicked meaningful" gift guide and an art exhibit on the carceral system highlights the organization's commitment to social justice and addressing systemic issues that contribute to violence. Overall, the information provided suggests that this organization is actively working to promote nonviolence and create a more peaceful and just society."""
