**Summaries of Links:** Based solely on the provided information, it is possible to infer that this organization is likely related to education or training. This inference can be made from the presence of links to pages such as "handbooks," "workshop-descriptions," and "statistics," which are commonly associated with educational institutions or organizations that provide training and development programs. Additionally, the inclusion of links to a blog called "sschuman.blogspot.com" suggests that the organization may have an online presence where they share information or resources related to their activities. However, without further context or additional information, it is not possible to determine the specific nature or focus of this organization. ""
