

""Twitter handle (and profile name): narrative4 (Narrative 4)

**Twitter description:** We harness the power of the #storyexchange to equip and embolden young adults to improve their lives, communities and the world. #empathy

**Description of the organization from a third party source:** "Narrative 4 envisions a world where young adults lead with empathy. Today, Narrative 4 is working in four continents, twelve countries, and 18 US states. Our work - rooted in the N4 story exchange - equips people to use their stories to build empathy, shatter stereotypes, break down barriers, and - ultimately - make the world a better place. If we share today, we'll change tomorrow."

**Summaries of Links:** Based solely on the provided links, it can be inferred that Narrative 4 is an organization dedicated to fostering empathy, understanding, and connection among individuals and communities. The organization offers various programs, resources, and initiatives aimed at promoting empathy and civic engagement, particularly among young

people. Narrative 4 emphasizes the power of storytelling and artistic expression as tools for building empathy and understanding across diverse backgrounds and experiences. The organization also collaborates with schools and educational institutions to integrate empathy-building practices into curricula and learning environments. Additionally, Narrative 4 engages in research and advocacy efforts to raise awareness about the importance of empathy and its impact on social and emotional well-being."""
