

""Twitter handle (and profile name): representus (RepresentUs)

Twitter description: Largest grassroots anti-corruption org, bringing together independents, progressives, and conservatives to fix our democracy and end political corruption.

Description of the organization from a third party source: "Represent.US is building a non-partisan movement to pass tough anti-corruption laws in cities and states across America, and end the legalized corruption that has come to define modern politics. Our system should not require people to buy access to their own government. "
