Summaries of Links: Based on the provided information, it can be inferred that this organization is likely a university alumni association. The presence of links to pages such as "discover/people," "discover/classnotes," and "discover/events" suggests that the organization is focused on connecting alumni with one another and with the university. Additionally, the inclusion of links to pages about career resources, lifelong learning, and volunteer opportunities indicates that the organization provides a variety of services and

programs to its members. The mention of a "Blue Devil Network" and a "Forever Learning Institute" further supports the idea that this is an alumni association, as these are common programs and services offered by such organizations."""
