

""Twitter handle (and profile name): Peace_Pentagon (The Peace Pentagon)

Twitter description: A strategic #retreat center and inspirational HUB for progressive #activists, in the heart of Appalachia.

Description of the organization from a third party source: "The Peace Pentagon HUB is a non-profit project of The Oracle Institute and volunteers around the world. Our goal is to facilitate coordination and collaboration among HUB Members - thought leaders and visionaries like you - on a variety of evolutionary projects and strategic initiatives. [Note from BDI: The organization is also an affiliate of World BEYOND War.]"

Summaries of Links: Based solely on the provided information, it can be inferred that this organization is likely focused on promoting peace and unity, with a possible emphasis on women's rights and environmental issues. The presence of links to social media platforms, a YouTube channel, and a podcast suggests that the organization actively engages with its audience and disseminates information through various channels. The mention of a retreat-training center and events indicates that the organization may offer educational programs and opportunities for personal growth and development. The references to "community principles" and "new member profiles" suggest a sense of community and shared values among its members. The inclusion of donation links and a bookstore indicates that the organization relies on financial support from its community to sustain its activities. Overall, the information provided suggests that this organization is actively involved in promoting positive change and fostering a sense of unity and empowerment among its members.""
