Our task is to get on a more equitable, fair, just, inclusive, and hopeful path forward. Join us.; Turn Outward. Get In Motion. Start Small to go big.; 30 years. 50 states. 40 countries.; Where It Started; Step Forward and Unleash Change; Featured; Connect With Us

Paragraphs: Rich isn't running for office, but he is on a nationwide campaign this election season to show communities a real pathway forward.; Join the Campaign; "Fascinating. It examines what might be at the heart of what drives today's toxic politics." - Chuck Todd, Meet the Press Daily; Read the Report; Through our 30 years of experience we can help you step forward, turn outward, and unleash your potential.; Our Approach; Learn the practice of Turning Outward through our interactive training program so you can take action, create meaningful change, and unleash the potential of your community.; Learn With Us; Discover how to step forward onto a more hopeful path and unleash change in Rich Harwood's latest books; Browse Books; Learn how communities are tackling society's toughest problems and strengthening their civic culture.; See What's Possible; We've curated our most vital "do-it-yourself" resources so you can have greater access to our ideas and practices.; Learn More; ; Our Impact -> Our Approach -> Our Partners ->; RICH HARWOOD, PRESIDENT & FOUNDER; Author. Speaker. Innovator.; What started in 1988 in Rich Harwood's one-bedroom apartment in Washington, D.C., has grown into a practice and philosophy that is spreading worldwide. Rich has invested his career in revitalizing the nation's hardest-hit communities, transforming the world's largest organizations and reconnecting institutions like newsrooms and schools to society.; Rich's Story -> Rich's Blog ->; Many of us are frustrated by the divisive nature of our public discourse, mistrust and broken promises. We lack hope that we can bridge our divides, come together and get things done. Stepping Forward: A Positive, Practical Path to Transform Our Communities and Our Lives shows us

how to channel our frustrations, energies, and aspirations to get on a more hopeful path.; Rich Harwood's newest book, *Unleashed: A Proven Way Communities Can Spread Change and Make Hope Real For All*, published by Kettering Foundation Press, is available now! This book isn't theoretical; it's based on the Institute's 30-year impact study of our work in 9 communities and reveals how communities can unleash a chain reaction to tackle society's fault lines and strengthen their civic culture.; *Enough. It's Time to Build.*; This is the first entry in a series that Rich Harwood will be publishing in *The Fulcrum* about the *Enough. Time to Build.* campaign.; *What Does it Mean to Say 'Enough'?*; ; I've been thinking a lot about the word "enough" lately. Its use gives rise to both anger and aspiration. Think about it. What have you had enough of? What does it propel you to want?; *Building the Public Square*; Rich appeared on the award-winning *Future Hindsight* podcast where he and host Mila Atmos discussed how "Citizens and Politics" report put The Harwood Institute on the map in 1990, our "Enough. Time to Build." campaign, and inspiring stories of change from communities like Reading, PA and Clark County, KY.; *What Two Women in Fresno Have to Teach Us About How We Build Together*; ; I'm writing this note on a plane heading home from our first "Enough. Time to Build." campaign event in Fresno, CA. Among the many profound experiences I had on this trip, I find myself thinking especially about two women I met. They each have much to teach us about how we can build together as Americans.; Sign up to receive more community resources, tools, and updates!; ; (C) 2023 The Harwood Institute. Summaries of Links: Based solely on the information provided, it can be inferred that this organization is involved in various initiatives and programs related to community engagement, civic participation, and social change. The presence of sections such as "Our Partners," "Current Initiatives," "Impact 2021," and "The Harwood School" suggests that the organization collaborates with other entities and undertakes projects aimed at creating positive social impact. Additionally, the inclusion of resources such as books, libraries, and virtual labs indicates a commitment to education and knowledge sharing. Furthermore, the organization's focus on building a "public square" and promoting dialogue and understanding is evident from mentions of "Civic Virus Report," "Moving Forward Together," and "Building the Public Square." Overall, the organization appears to be dedicated to fostering civic engagement, promoting social justice, and empowering communities to address challenges and work towards positive change."""
