

""Twitter handle (and profile name): Hello_Bench (Hello Bench Project)

Twitter description: Imagine 2 benches: 1 empty, 1 w/ someone. Where do you sit? Alone, right?_x000D_

We're changing that by making benches that bring us together, 1 chat at a time!

Description of the organization from a third party source: "The world is full of barriers to human connection. Hello Bench is breaking down those barriers, one chat at a time. Sure, smart devices are great. You can navigate traffic, buy stuff and learn about the weather outsideâ€”but have a face-to-face chat with someone new, and you can discover something about them, about you, about us."
