Paragraphs: The only lasting peace is the one built by the disputants themselves. MBBI started at a time when the founders recognized the critical need for conflict resolution skills

at all levels of community, keenly aware of the necessary shift from the 'powerful nations' model to a 'people centered' peace building model; of the increasing leadership role of regional and sub regional organizations, along with increasing engagement of civil society actors. All of these transitions underscored the need to prepare people at every level for participation in state of the art peacebuilding processes that are multidisciplinary and collaborative.; We work to enhance mediation and peacebuilding skills to communities around the globe so that they can, in turn, build a more peace "able" world. To this end, MBBI organizes initiatives through three essential mechanisms - capacity building, advocacy for mediation, and consultancy services.; MBBI is a tax-exempt, 501(c)3, not-for-profit organization registered in the US and has_x000D_
