Description of the organization from a third party source: "Every day, The Flip Side scours 30+ publications to find the most thoughtful and informed perspectives on major issues. In a daily 5-minute email, you'll get the big picture of what's happening from the left and right. And feel on top of our ever-changing political world - all in time for your morning coffee."

Scraped text from their home page of their website: Titles: The Flip Side

Headings: See both sides of important issues- in 5 minutes a day.; What our readers say.; "Journalism might just be making a comeback..."; There's a mountain of news out there...; And it's getting harder to know what news you can trust...; Your shortcut to understanding the other side...; See the big picture with the best points from both sides; ...in one easy 5-minute email a day; We do the research. You decide.; gun control; election watch; abortion; sanctions; Get to the heart of one major news topic a day.; "â€"; "â€"; "â€"; Trade war; immigration; peace talks; protests; How your daily email is made; 1; What's being covered?; 2; What are people talking about?; 3; Choose 1 topic (sometimes 2); 4; Read. Read. Read.; 5; Choose the most representative and thought-provoking snippet; 6; In your inbox-every weekday morning!; "It's so much more than just an email..."; "Huge time saver. Efficient. Concise. Fair."; Our readers say they feel.; Wake up to a more balanced view of the world tomorrow...; Our Mission

Paragraphs: In a free daily email, get the most thoughtful points from the left, right, and in-between-across 30+ news sources.No clickbait. No trolls.We do the research. You decide.; "Keeps me grounded in reality and not just in my bubble."; "I find it calms me down. If you only get one perspective it feeds the outrage machine."; "...it gives me information to have civil discussions with people on the flip side."; "It's my favorite thing to read every morning"; "I'm impressed at how well it captures the genuine concerns of the blue and red sides of current events."; The gems are often buried under "newsfeeds" of sensational headlines, ads, and trolls. "â€Meanwhile, the divide between liberals and conservatives continues to get bigger.People accuse. People fight. People unfriend you on Facebook.They assume the worst of each other - instead of assuming good intent and moving forward in discussions together.; "I like intelligent discussion of issues, which has become hard to find. "â€The Flip Side fills this need for me."; "... gets me thinking more about right and wrong, instead of right and left."; The Flip Side is on a mission to help bridge the gap between liberals and conservatives.We're a one-stop shop for smart, concise summaries of political analysis from both conservative and liberal media. Our goal is to become a news source for

liberals, moderates, independents, conservatives, and even the apolitical. It's hard to convince liberals to watch Fox or conservatives to watch MSNBC. But if everyone takes 5 minutes a day to read The Flip Side, we'll have a starting point when talking to our friends and neighbors.

Paragraphs: The Flip Side is on a mission to help bridge the gap between liberals and conservatives.; We're a one-stop shop for smart, concise summaries of political analysis from both conservative and liberal media. Our goal is to become a news source for liberals, moderates, independents, conservatives, and even the apolitical. It's hard to convince liberals to watch Fox or conservatives to watch MSNBC. But if everyone takes 5 minutes a day to read The Flip Side, we'll have a starting point when talking to our friends and neighbors.; Using The Flip Side in the Classroom; In Politics, Personal Biases Blind Us to Rule of Law; A Warning to My Fellow Liberals; How College Students Can Bridge American Divides; 'Megyn Kelly Today' could've taught us about blackface this Halloween: Today's talker; As Masters Of Our Curated Universes, We Can Fix the 'Filter Bubble' Problem; A Hillary Staffer Goes to CPAC; Annafi Wahed, CFA, has a broad array of experience spanning the federal government, non-profit, political, and private sectors. In 2016, she left her role as a Senior Consultant at Ernst & Young to join the Democratic campaign. Walking door to door, she saw firsthand how next-door neighbors could be completely isolated from one another by the media they consume. Annafi launched The Flip Side as a passion project in 2017, and has since spearheaded each new stage of the venture. Annafi's op-eds have been published in The Wall Street Journal, The Hill, and USA Today. Her public appearances include everything from Fox & Friends and The Young Turks to being a keynote speaker at the Reagan Foundation.; Jihan Varisco has degrees in Political Science and Public Policy from the University of Chicago, and is interested in applying insights from behavioral economics and game theory to improve policy. He studied with several Nobel Prize winners, including the behavioral economist Richard Thaler. He is particularly interested in attempts to model human political attitudes and voting decisions by combining insights from psychology with data-driven AI models.; Matt Harris has over 15 years of software engineering and product leadership experience. He has held leadership positions at Twitter, Uber, and Color Health, taking startups through IPOs and scaling them from tens to thousands of employees. Matt co-invented four patents, and oversaw the autonomy product development of self-driving vehicles and their associated machine teaching and validation infrastructure.; Joe Vigliotti is a writer who is serving his second term as a City Councilman for Taneytown, Maryland. He is a graduate of Mount Saint Mary's University where he studied history, political science, and philosophy. A Catholic and conservative Republican, Joe is disheartened with the state of American political debate, and so is thrilled to be a part of this crucial effort to improve our mutual understanding.; Kelly Hawkes is a teacher and a Doctoral Candidate in Education, researching Information and Media Literacy. She also

holds degrees in Social Studies Education and Political Science. She was formerly a researcher of issues related to diversity, equity, and social justice, and worked for United States Senator Cory Booker. These experiences make Kelly uniquely qualified to understand the complex intersections of politics, education, and the media.; Roberto Rodriguez is an active duty Marine specializing in communications intelligence, currently serving as the senior advisor to the Director of Information Operations Force Development for the Marine Corps. He believes that a free and robust press is vital to the survival of a thriving democracy. A Penn State junior, majoring in Digital Journalism and Media, Roberto was born and raised in Cidra, Puerto Rico, and lives in Northern Virginia.; Spenser Dopp studied journalism at Ohio University with a specialization in classics and world religions. He believes people across the political spectrum and all walks of life generally share similar values and goals but have different ways of expressing them, which is why open communication is so important. Spenser is happy to be working with The Flip Side to help himself and others learn, think, and communicate in an honest and balanced way.; Allison Lee Pillinger Choi is a full-time mom to two preschoolers and writes on right-of-center politics/policy. She is the author of Bleeding Heart Conservatives: Why It's Good To Be Right and a Contributing Writer at the Manhattan Institute's City Journal. Her work has also been published by outlets including the San Francisco Chronicle, Intercollegiate Studies Institute, and Bold Media. Alli attended Harvard where she studied Economics, competed on the Varsity Tennis team, and worked at The Harvard Crimson. After graduating she moved to New York City, where she worked as an analyst at Goldman Sachs and then at Equinox. Alli is affiliated with the Advisory Committee of the Manhattan Institute's Young Leaders Circle, the New York Hospital Weill Cornell Council, and the Jewish Community Center of Manhattan. Her latest initiatives are dedicated to breaking down political polarization through bipartisan organizations such as The Flip Side and Experiment In Dialogue. Alli is originally from South Florida.; Angela Cho is the founder of Function Labs, a growth marketing agency and creative collaborative in New York City. Function Labs helps mission-focused businesses connect deeper with their market and convert them to take action. Since it was founded in 2016, the team has helped organizations from Fortune 500 companies to startups battle human trafficking, heal the world with hemp, bridge the gap between liberals and conservatives, make governments more efficient, and empower women to start online businesses.; Prior to Function Labs, Angela worked in public relations and marketing in the defense, government, and SaaS sectors. She graduated with a B.S. in journalism and entrepreneurship from Syracuse University.; Today she runs Function Labs in New York City and is an advisor for The Flip Side. She lives in New Jersey with her fiancé, umma, dog, and cat.; Say hi to Angela on LinkedIn or Twitter!

Summaries of Links: Based solely on the provided information, it can be inferred that this organization is likely a media or publishing company called "The FlipSide." The presence of sections such as "latest-issue," "archives," and "premium" suggest that they produce and distribute content, possibly in the form of a magazine or online publication. The inclusion of a shop link, social media links, and an email address for inquiries further indicates that they engage with readers and offer additional products or services. The mention of "terms of service" and "privacy" suggests that they adhere to legal and ethical standards in their operations. The reference to "premium" content implies that they may offer paid subscriptions or exclusive access to certain content. Additionally, the inclusion of links to "Function Labs" and "The FlipSide Premium" suggests that they may have partnerships or collaborations with other organizations. Overall, the information provided indicates that this organization is likely involved in media production, publishing, and reader engagement."""
