**Summaries of Links:** The organization appears to be focused on promoting and supporting democracy, particularly in the United States. It seems to be engaged in various activities related to democracy, such as issuing a "Democracy Report Card," conducting research and publishing reports on topics like ESG and corporate political influence, and providing resources and guidance to business leaders on how to navigate political issues and support

a stable economic environment. The organization also has a leadership team, academic advisors, and partners, suggesting that it is a collaborative effort involving experts and stakeholders from different backgrounds. Additionally, the organization seems to have a strong online presence with a website, social media accounts, and a blog where they share insights and updates on their work."""
