Twitter description: Founder and Principal, MacNeil and Associates Consulting: Promoting learning, fostering leadership, inspiring and advancing positive change throughout the world

Description of the organization from a third party source: "Dr. Carole MacNeil is a specialist in youth and community development, education, youth civic engagement, and community-based/participatory research with over 25 years of experience in working with youth, communities, schools, and youth-serving organizations. As a consultant, her work focuses on capacity building for youth-serving organizations; program design and evaluation; youth-led development; civic engagement; human rights; and peace building, with particular interest and experience in developing and post-conflict contexts in Africa and the Middle East. She has worked in partnership with multiple international agencies and organizations, including USAID, UN-Habitat, the World Bank, and others."
