Twitter description: A non-partisan project to get Americans speaking across the political divide. ðŸŒŒ¼ Project of @talking_eyes <https://t.co/gR6IIBlqGx>

Description of the organization from a third party source: "Encourages Americans to stop bickering about politics, examine their assumptions, and engage in civil discourse to help move our democracy forward. "This project is a short documentary, webisode series, online platform, and community engagement campaign aimed at bridging political divides and breaking down partisanship. For people who are tired of hyper-partisanship, pull a chair up to The Table and join us in making politics an acceptable topic for dinner conversation again! Bring It to The Table is produced by Talking Eyes Media, a non-partisan, non-profit organization with extensive experience producing films, books and multimedia on pressing social issues."

Summaries of Links: Based on the provided information, it can be inferred that this organization is likely involved in promoting dialogue and engagement on various topics. The presence of links related to "learn more," "participate," "data," and "table talks" suggests that the organization aims to educate and involve individuals in discussions. The inclusion of a donation link indicates that the organization may rely on public support or contributions to fund its activities. The mention of "Ten Tables" and "Talking Eyes Media" suggests a focus on storytelling and community-based initiatives. The presence of social media links and an email address implies that the organization actively engages with its audience and provides multiple channels for communication. Overall, the information provided suggests that this organization is dedicated to fostering dialogue, sharing knowledge, and promoting engagement among its stakeholders."""
