**Twitter description:** Enriching lives and changing the world through the power of story.

**Description of the organization from a third party source:** "Founded in 1973, ISC was established as an educational and cultural institution dedicated to building a better world through the power of storytelling. Our goal is to inspire and empower people everywhere to capture and tell their stories, listen to the stories of others, and use storytelling to promote dialogue and produce positive change. The ISC serves as a national Learning Resource Center that facilitates efforts to incorporate the art of storytelling in promoting peace and justice. We create educational and professional tools, storyteller residencies, a world class festival, disseminate research, and curate and share best practices in using the art of storytelling for peace and community-building.
